OFFICE OF

The Director of Industries & Commerce,
(Standard Cloth Section), Bangalore.No. SC. 1222 / 46-47.

To

30 APR 1947
7436The Secretary to Government,
Food & Civil Supplies Department,
Bangalore.Sub: Continuance of the Standard Cloth
Section in the Head Office on a
reduced scale.

Adverting to Government Order No.S.D.8795-98/A.183-45-2 dated the 30th May/3rd June 1946 sanctioning the continuance of the Standard Cloth Scheme and the staff up to the end of June 1947, I have the honour to state that almost all the Standard Cloth depots in the Districts have been closed and the Auditor & Accounting Officer, Food Supplies Department, who was requested to complete the audit of the accounts of the depots early, states that it may take another six months for the audit of all the depots being completed.

A quantity of about 6000 yards of cloth has since been received from the Government of India and needful arrangements are made for their release to the public through the City Depot. Another 3000 yards are expected for which the Textile Commissioner, Bombay, has been addressed and his reply is awaited.

Though the entire staff attached to the depots will be disbanded by the end of June 1947, it will be necessary to continue the staff of the Head Office on a reduced scale for watching the receipt and disposal of the audit reports in respect of the Standard Cloth depots, and settling the accounts with the Government of India so as to facilitate the submission of a final report to Government. The provision originally proposed for inclusion in the Budget for 1947-48 for the continuance of the undermentioned* staff for a further period of three months will, therefore, have to be reduced as it would be enough if

if the marginally noted staff is continued up to the end

of September 1947.

I, therefore, request that sanction of Government may
